2017	GAIA <i>'Thalassitis Submerged' Assyrtiko</i>	Santorini, Greece	1450

...The *'Thalassitis Submerged'* is aged 4 years in an underwater cellar off the east coast of Santorini, this wine has become rounder, giving the impression of an evolved wine. At the same time, the colour suggests a misleading youth, whereas any sign of oxidation is absent. This is a rare hybrid wine that balances between youth and maturity.

Wendouree are wine-lovers wines.

Their distinctive beauty confronts & challenges the drinker year on year, making them some of Australia's most recognised & sought-after wines.

Tony & Lita Brady, custodians of Wendouree since 1974, have built the estate into the opposite of Australia's modern, market-driven, high-tech industry, still only selling directly to their trusted mailing list year to year. Hidden in a clearing of red gums not far from the township of Clare, the old stone cellars, built-in 1914, are still in use and almost unaltered today. The wines made here are individual & age-worthy in the style of wine makers past.

This cult Australian producer is one that has rightfully earned its spot amongst the finest in the country. We are very fortunate to have small volumes of these beautifully aged wines at Georges!
